Forwards the Resolution dated 11 7
the Channapatna town Municipal Comm's
Requesting for the privilege of having its'
own non-appeal pendent and opinion that
the Municipal Council does not deserve
this privilege in its present Conditions

1) Municipal Collection 107 46 (Pls 23 24)
wherein a Circular proposal by the Channapatna
town Municipal Council whereby appeal was
having its own non appeal pendent was
deferred in December 1947 to put up

2) The Conditions of this Municipality
have not improved since as seen from the several
irregularities pointed out by the
D C in his inspection notes in regard
to the purchase of a lorry, type writer
and several other matters

3) The D C is also of the view that
the Municipality does not deserve the
privilege of having a non appeal pendent
just at present and recommends the S D O Nagar Taluq
appointed as appeal pendent in place of the Amildar

President of the Cheepet Town Mcl. With
the heavy work relating to the Revenue,

11) As regards the shifting of the office of the Sub-Division Officer from Closepet to Channapatna it is not a feasible proposition as the former is more centrally situated to the other Taluks comprising ~~of~~ the Sub - Division than the latter and substantial Government - buildings have been built for the Sub Division Officer and his office

17) The ADC, Bangalore District considers that the Local Conditions of Chemmapatna require Municipal a president enjoying a higher Status and authority as the Civil Surgeon of the District. The Amildar-president's status is not so high as many an officer of the Government and therefore it may be worthwhile to give this arrangement a trial for orders with regard to para 16 supra

Janab Syed Abdul Aleem, B A ,
Revenue Secretary to Government,
of Mysore, BANGALORE

Sir,

Subject Non official Presidentto Channapatna Town Municipality

I have the honour to state that the Municipal Council Channapatna have resolved at their meeting held on 11-7-48, to approach Government for conferring on it the Privilege of electing its own Non official President The Municipal Council, Channapatna had previously also, similar resolution but Government have ordered that the question may deferred for the present (vide your letter No R 12051/ML 107-46-2 dated 22-12-47)

The conditions in Channapatna Municipality, have not improved and the affairs of the Municipalityare not at all satisfactory I believe that the factors which ~~combined~~ convinced Government in December 1947, to defer the question of conferring, the privilege of having a Non official President at Channapatna exist even now The conditions of Channapatna Municipality is not conducive to have a non official president Even with the Amildar, of Channapatna taluk as the President of the Municipality, the conditionsare very bad

any of the members in the newly ~~constituted~~ constituted council, were members in the previous council who had bitter feelings among themselves, and proved most inefficient

Even with the Amildar as President, the activities of the previous council were in many cases un-constitutional a few among them being the disposal of sites formed in S No 64 of Chikmallur village without obtaining ~~Government sanction~~ Govt to irregular purchase, purchase of a typewriter, disposal of sites detrimental to the Municipal resources, which are all pending orders by the Government

In this connection, I may invite kind reference to my letter No M 7/47-48 dated 21-4-48, in which, I have detailed the serious omissions and commissions of the Municipal Council, and wherein I have recommended that the Municipal Council (previous) be superseded in view of the orders of Government thereon have not yet been communicated

In these circumstances, the Municipal council Channapatna does not deserve to have a non official President

From a stduy of the local conditions at Channapatna , I am of opinion that Channapatna un cipality stands in need of a President, who is more authoritative andof xxx a ni her rank than the Amildar, of Channapatna Taluk As Channapatna is in close proximity to Closepet I strongly recommend that the Sub Division fficer, Closepet Sub Division may be made the president of Channapatna Town unicipality instead of the Amildar of Channapatna Taluk, as it will be very conducive to the better administration of the unicipality

The report No H C 13/43-49 dated 14-7-48 received fromthe President Channapatna un cipality wi he the copy of the Councils resolution dated 11-7-48 is herein enclosed f r favour of kind reference and early orders

I have the hon ur to be
sir,
Your most obedient servant,

Deputy Commissioner,
